

A horizontal line segment with two brown circular endpoints. The segment is labeled with the expression $a + b$ above it.

$$a + b$$

A horizontal line segment with two brown circular endpoints. A green segment is highlighted at the left end, starting from the left endpoint and ending at the first brown endpoint. The segment is labeled with the expression $k + c$ above it.

$$k + c$$

A horizontal line segment with two brown circular endpoints. The segment is labeled with the expression $a + b + c - k$ above it.

$$a + b + c - k$$
